

STONYCREEK TOWNSHIP, CAMBRIA COUNTY
BUILDING SEWER TRAP
WAIVER AND RELEASE OF LIABILITY

Stonycreek Township strongly recommends the installation of a trap in the main lateral serving each property as a means to help prevent odors and sewer gasses from entering the building through the building sewer. The Typical Detail of the Service Connections to Sanitary Sewer provided to all customers at the time of connection shows the installation of a tap as part of the building sewer detail.

Stonycreek Township has determined that there may be situations where the installation of such tap is difficult to install with reasonable efforts or may not be desired, for any reason, by the property owner; and the Township has determined that it will not require the installation of a trap on the main sewer lateral serving the building so long as the owner executes this Waiver and Release of Liability.

NOW THEREFORE, in consideration of the mutual covenants herein contained, the property owner(s) hereby agree as follows:

1. That the aforesaid recitals are incorporated herein by reference. The property owners are assuming full responsibility for any harm or injury caused by or attributable to, in whole or in part, the lack of a trap on the main sewer lateral.
2. That the property owner(s) for themselves, their successors, assigns, personal representatives and heirs do hereby release the Township of Stonycreek, its officers, officials, agents, servants, employees, and contractors from any and all damages, injuries, including death, as well as any claims by third parties, including but not limited to, the entry of gas and/or sewer odors into the premises and further agree to indemnify and hold harmless the Township of Stonycreek, its officers, officials, agents, servants, employees, and contractors of and from any liability including attorney fees and expenses, which may arise from the non-installation of the traps.
3. The property subject to this Waiver is identified as _____
